

TC Cat here from Treble Cone with the Wanaka Primary school skiing update!

There has been nothing but sunshine and smiles up here with everyone having an absolute blast. Paws crossed for some powder and more bluebird days ahead. We snapped a few photos this week so be sure to check them out!

The instructors from around the globe have been working hard with their groups focusing on stance and balance, exploring new terrain and dialling in their groups technique to shape up these TC shredders into great skiers and boarders.

Some cool things happening in all levels including Landy's group making their first trip up the 6 seater chairlift with her yellow group woohoo! And Rob's group holding their own freeride comp in the black level!

Most of the groups have come up with some fun, weird and whacky team names. These include; 'I want the orange chair', 'Dreadlock warriors with the dreadlock princess', 'Super Stars',

'Team Snowball', 'Snow heroes', 'Snowball fighters', 'Snow Peeps', 'Snow Stars', 'The Shredders', 'The Plonkers', 'Little Monsters', 'Icely Unicorns', 'Aly's Allstars', 'Ice Popicles', 'Team Name', 'Tussock Crushers' and watch out for these

ones... 'The Assassins'.

Only two weeks of fun left so it's time start thinking about what you want to dress up as for the final Thursday, the crazier the better I say!

I can't wait to see you all out there again next Thursday!

Keep shredding,

TC Cat
