

EOTC/SKI PROGRAMMES 2018

There are two ski programmes offered at Wanaka Primary School for 2018. The ski programmes are part of the EOTC (Education Outside the Classroom) programme. For those who do not wish to ski, other options will be advised in June.

Registration and payment for all ski programmes closes on 1st July

Programme 1 – Five day ski experience

The EOTC/Ski Programmes are managed by the ski fields. All registrations and payments should be directed to the office of your chosen ski field.

The EOTC/Ski programme will begin on Thursday 26th July and continue for the following Thursdays:

- Thursday 2nd August
- Thursday 9th August
- Thursday 16th August
- Thursday 23rd August

There is only one weather postponement date which is Thursday 30th August.

The ski fields will decide on cancellations and advise the school either on the Wednesday afternoon, or the Thursday morning by 8.00am. Cancellations are carefully considered using the local weather websites and conditions. If a day is cancelled e.g. closure due to weather, the contingency day will be used. There will be no refund if the agreed postponement day is not attended. If the weather has closed the field on more than one occasion, there will be no refund.

If one ski field is closed, the programme will not run at the other field and there will be school as normal.

Children are enrolled for two lessons per day. Parents **must** transport children up and down the ski field and get them to their lessons on time. It is also the parent's responsibility to monitor their children during lunch time.

The 5 day EOTC/Ski options are as follows:

- 5 days at Cardrona ski field
 - Cardrona Seasons Pass for children **must** be purchased by 31st May
 - Registrations close at the **Cardrona Office in town** on the 1st July
- 5 days at Treble Cone ski field
 - Registration close at the **Treble Cone Office in town** on the 1st July
- 5 days at the Snow Farm
 - Registrations close at the **School Office** on the 1st July

PLEASE NOTE that Cardrona are limiting the number of students this year. First in, first served. If you are late then you may miss the opportunity for your child to ski at Cardrona. **Numbers are limited to the first 350 registrations.**

Programme 2 – One day ski experience (Cardrona Ski Field ONLY)

The one day ski experience programme will be on Thursday 16th August.
There is one weather postponement date which is Thursday 23rd August.

Students that wish to participate in the ONE day ski experience at Cardrona ski field will spend the other four sessions (Thursdays) in the School Based programme.

The ski experience is managed by Cardrona Resort and Wanaka Primary School. Register for the one day ski experience at the Cardrona Office in town. Transport and supervision will be arranged by Wanaka Primary School and you will be invoiced from the school for transport costs. All children **MUST** use the school transport.

- 1 day ski experience at Cardrona
 - Registrations close at the Cardrona Office in town on the 1st July
 - Transport must be paid to the school office
 - All children must use the organised transport.
