

Treble Cone - Parent Day Pass Offer

Treble Cone will now offer day passes to parents of children in the Wanaka Primary School Kids School Skiing Programme for \$65. This reduced pricing is in recognition of the support parents offer to this programme with transport, lunches and organising the kids on the snow. We love that school skiing provides the opportunity for local families to visit our mountain. Parents can gain this discounted price by purchasing their ticket at the sales office on the mountain. We look forward to seeing you on the mountain.
