

## **ENROLMENT DETAILS: 2020 SCHOOL YEAR**

The Boards of Wanaka Primary School and Te Kura O Take Kārara (formerly Wanaka South Primary School) have adopted enrolment schemes that have recently been approved by the Secretary for Education, and will come into effect from the start of the 2020 school year.

Details of the home zones for both schools and maps of the zones can be found on the schools' websites at [www.wanakaprimarieschool.nz](http://www.wanakaprimarieschool.nz) and [www.takekarara.school.nz](http://www.takekarara.school.nz)

A drop-in session to provide detailed information and to answer questions will be held at Wanaka Primary School between 5.00-7.00pm on Monday, 10 June.

### **WANAKA PRIMARY SCHOOL**

The Board has committed to a "grandparenting scheme" that means any student who is currently attending Wanaka Primary School will be able to continue attending the school after the new home zone is introduced. All current Wanaka Primary School students will therefore have the right to continue attending this school through to Year 6. The Ministry of Education has agreed to continue providing school transport to students who are currently attending Wanaka Primary School. This agreement means that any student who currently catches a bus to Wanaka Primary School will still be provided with a bus for the 2020 school year. Beyond 2020, school transport assistance (which may be an allowance) will be provided while a student continues to be enrolled at Wanaka Primary School. Younger siblings of current students born before the start of the next school year will also have the right to attend Wanaka Primary School (though without transport assistance).

### **TE KURA O TAKE KĀRARA**

All Year 1 students within the new home zone will attend the new Te Kura O Take Kārara. Students in Years 2-6 within the new home zone will be able to continue attending Wanaka Primary School, as detailed above, or can choose to attend Te Kura O Take Kārara. School transport will be provided to eligible students and details of the transport plan will be advised in coming weeks.

Further information will be provided to parents/caregivers/whanau through school newsletters and the schools' websites. Enrolment information will also shortly be available from both schools.
