

Student User Agreement for Wānaka Primary School

WĀNAKA PRIMARY SCHOOL STUDENT USER AGREEMENT OVERVIEW

Digital technologies and devices like iPads and computers are tools that can help us learn at school in all sorts of ways. We can look at interesting things online, talk to people, create new ideas, and learn how to do different things on apps and websites.

We need to learn how to keep ourselves safe, and make good choices in ways we behave when we are online. At Wānaka Primary School we call this being a 'digital citizen'. Good digital citizens help to make our school a safe and positive place for everyone.

WĀNAKA PRIMARY SCHOOL ROLE

Wānaka Primary School wants to help you learn in the best ways we can, and keep you safe at school.

We will do this by:

- helping you to know what you need to do to keep safe online
- helping you to know what to do if you are worried or upset by anything or anyone online
- making sure we have learning times at school where you can find out more about keeping safe online and safe ways to use your device or computers

YOUR ROLE

- is to choose safe, careful, and fair ways of using devices and online spaces.

STUDENT STATEMENT

I know about the ways I should use digital devices and online spaces at school for learning. I know that I should be kind, careful and responsible when I use devices, and when I go online, and this is the same for the devices that school owns, or if it is my own device that I bring to school.

I understand and agree to use digital technology and the internet at school safely and for learning, whether it is on a school device or one I have brought from home.
