

Using Edge Caregiver Portal and Mobile App

Access to the edge caregiver portal and mobile app uses the existing email address that Wānaka Primary School has on record for you.

The edge caregiver portal/app allows you to view school information about your child(ren). The portal & app gives you quick and easy access to the information for the children in your care as well as being able to receive announcements and notifications from our school.

Terms & Conditions Privacy Statement

To login:

1. Enter the website <https://parent.edgelearning.co.nz/> into your browser.
2. If your email is not associated with the three platforms above (they are all free, easy to sign up to and don't necessitate you using that email for other purposes), type in the email address you supplied to CMS. You will then be asked to supply a password. Choose the 'Forgot Password' link and you will be sent an email (to the address you logged in with). This will allow you to create/reset your own password.

3. Select your child from the top row. Summary data is displayed in separate tabs (dependent on whether they're attending a primary, area or secondary school using Edge) for:
- Attendance,
 - Attendance Summary
 - School Payments

All other information including attendance is live. Where relevant, information from previous years can also be accessed.

If you are still having trouble with access please email Jason – jasonc@wanaka.school.nz

Edge Mobile App

This can be downloaded from either Play Store (Android) or App Store (iOS). Search for Musac Edge.

Once installed you will be asked to make up a 4 digit pin then enter your Edge email and password.

In the app there is a series of labelled tiles that when tapped bring up information on your child's contact

details, attendance and related data. We may also push announcements and notifications to the app and optionally allow you to send 'Notify School of Absence' notifications to the school.

After 3 minutes of non-use the Edge app will log out and require you to enter your 4 digit pin to re-open.
