

Bring Your Own Device Agreement

For parents/caregivers:

1. Read this page carefully with your child to check you both understand your responsibilities.
2. Sign the appropriate section of this form.
3. Return the signed agreement to the school office.

Note: This agreement refers to approved devices brought to school for learning. It must be signed before the student can bring a device to school. This agreement is additional to student digital technology use agreements.

School responsibilities

At our school, we:

- encourage safe and responsible use of digital technology
- work within the school's digital technology policies and procedures
- provide clear guidelines around the use of devices brought from home
- provide safe storage for students' devices when not in use (e.g. break times).

Student responsibilities

When I bring a device to school, I will:

- follow the school's digital technology rules
- use my device when and where the teacher gives me permission
- only use my device to do the tasks I am supposed to do
- use a login and password to keep my device safe, and not share the password with others
- be in control of my device and not share it with other students, apart from letting them see the screen
- charge my device at home so that it doesn't need charging at school
- take care of my device so that it isn't damaged or stolen.

Parent/Caregiver responsibilities

I give permission for my child to bring their device to school and I will:

- encourage them to use it responsibly and safely
- be aware of the content and apps on the device
- follow any BYOD conditions of use outlined in the school BYOD policy
- contact the school if I have any concerns about online safety or other related issues.

Note: This agreement will remain in force as long as the student is enrolled at the school. If it becomes necessary to add/amend any information or rule, parents will be advised in writing.
